## CHAMBER OF BLUE

A-Class Marbles introduces a series of surfaces made using Italian porcelain stoneware and ceramics. This durable and diverse collection is special for its impeccable Italian craftsmanship. [aclassmarble.co.in](http://aclassmarble.co.in)

## SINUOUS SHAPES

The soft, curvy edges of Hindware's newest basins are matte finished white or black. Its structure makes it easy to maintain and also prevents water splashes. [hindwarehomes.com](http://hindwarehomes.com)

## EMBRACING ZEN

What's not to love about this range of latest wall finishes from Asian Paints Royale, which bring home natural textures of stone, clay, concrete and rusted metal? [asianpaints.com](http://asianpaints.com)

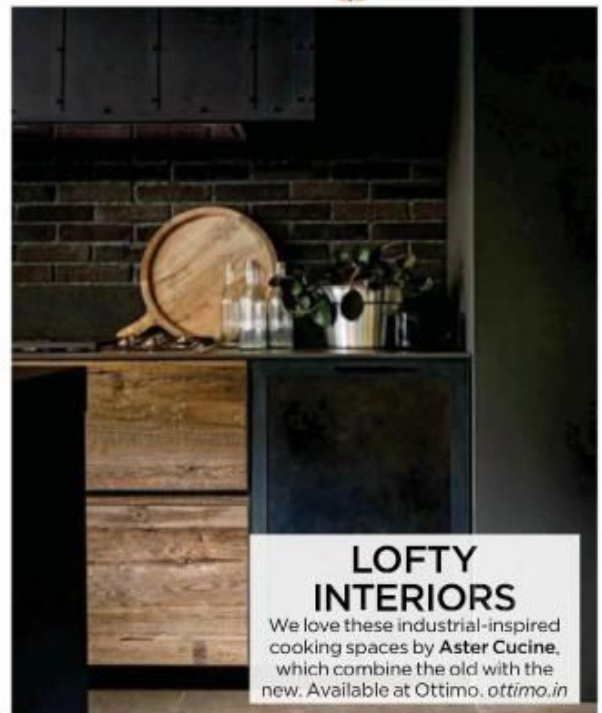

## SHAPING SPACES

The Vive faucet by Kohler features a fluid shape inspired by the movements of a ballerina. The intuitive design is presented in rose gold and polished chrome. [kohler.co.in](http://kohler.co.in)

## Bringing Nature In

Equipped with a UV-resistant formula are Window Magic's newest collection of aluminium windows. These are durable for extreme climatic conditions and available in varied finishes and shades. [windowmagicindia.com](http://windowmagicindia.com)

## LOFTY INTERIORS

We love these industrial-inspired cooking spaces by Aster Cucine, which combine the old with the new. Available at Ottimo. [ottimo.in](http://ottimo.in)
