Onyx collection by A-Class Marble

The **Onyx collection** by A-Class Marble comprises rare gems of nature featuring vibrant hues and intricate striations that can elevate the aesthetics of any setting. Onyx transforms spaces with its luxurious charm, making it ideal for high-end residential and commercial interiors. Imported from Iran, Mexico, Turkey, and China, this stone is available in 18mm and 20mm thicknesses. Owing to its versatility, resilience, and easy maintenance, Onyx marble can be used as countertops, backlit features, highlighter walls, bar counters, and centre tables.

Our curated selection of Onyx includes:

- **Tiger Onyx:** A subtle interplay of beige and brown tones, Tiger Onyx exudes serenity and finesse.
- **Alfredo Onyx:** The soft, creamy backdrop of Alfredo Onyx, adorned

with dramatic, fluid veining, crafts a bold and timeless look.

- **Ondulutu Onyx:** With its subdued, swirling patterns in animated pink shades, Ondulutu adds an artistic flair to the interior spaces.
- **Blue Onyx:** Blue Onyx showcases an ethereal, tranquil surface with captivating, cool blue hues and pristine white striations.
- **Wine Onyx:** This features deep burgundy shades with striking bands, perfect for creating opulent accent walls.
- **Mango Onyx:** Mango Onyx's warm, golden hues with rich textures bring summer-like charm and vibrancy to any space.
- **Grey Crystal Onyx:** Exuding a sleek, geometric appeal, the cool grey palette of Grey Crystal is highlighted by crystal-like lucidity. The translucent nature of Onyx

allows it to radiate a mesmerising glow when backlit, making it a popular choice for creating statement pieces. With A-Class Marble, embrace the allure of natural stone to craft elegant spaces that resonate with lasting grace and modern sophistication.

A-Class Marble

Accomplishing perfection in marble and stones by amalgamating technologies, innovation, and sustainable techniques, A-Class Marble is a testament to reinstating India's glory through excellence in stone. It all began in Makrana, Rajasthan in the year 1971 when Mr. Roopchandji Bhandari started his business of Indian Marble. In 1973, his son Mr. Raichand Bhandari joined the family business and under his diligent leadership and vision, the venture reached new heights. The venture is now running its 50th year. The year 2005 witnessed the inception

of A-Class Marble India Pvt. Ltd., with the vision to bring the world's most magnificent collection of marble to India, now completing 15 magnificent years.

A-Class Marble is today one of the largest importers of elusive marble in India, offering one of the largest arrays of rare stones hand-picked from all across the globe. With a state-of-the-art production unit spread over 10 Lac sq. ft., located at Asia's biggest Marble Market at RIICO Industrial Area in Kishangarh, Rajasthan, the infrastructure and technology offered by A-Class Marble is truly a class apart. The newest addition to the A-class' trail of dynamic and luxurious spaces is their Moti Nagar showroom that spreads across an area of 1,20,000 sq.ft. The showroom spans three floors and comprises retail display spaces, an experience area, conference rooms and varied facilities. The A-Class Atelier in Ahmedabad is a unique smart showroom.

Working with a long list of distinguished clients, celebrities, designers, and architects globally, A-Class Marble is acclaimed today, for

its diversified and premium quality product range, unwavering patronage and carrying forward more than a decade old Legacy of Stone Reinforcement. A-Class Marble is the one-stop destination for ideas and inspiration in the world of stones. Consolidating its foothold in the marble industry whilst exploring the potential of new-age materials, in 2017 A-Class Marble successfully ventured into unprecedented territories celebrating the spirit of craftsmanship. Introducing new age materials such as ceramic and Italian porcelain stoneware by Italy-based 1st Tile, Fiandre and Fuoriformato, A-Class Marble introduced its new range of surfaces.

Unraveling the strength and beauty of New age materials in India, A-Class Marble aims to transform the landscape of luxury interiors and architecture in India by widening the scope of material technology to blend cutting-edge technology with impeccable craftsmanship from around the world, nurturing avant-garde ideas that find use in a wide spectrum of building typologies. □
